## **Reports of the Officers and Actions**

### **Tree Removal**

Need to get information on which trees need to be removed around pond. Mark trees and then get bids for the removal for them. Have them look at a couple of trees in the commons area as well to see if they can and/or if they should be removed.

### **Public Information**

Discussions were held to determine, to what extent, HHHOA information should be placed on the web site. Generalized information versus specific detailed information. It was determined that a certain level of information was needed, but general information should be enough for the web site. If there are questions from members, we can address them in more detail.

### **Bank Accounts**

Lori is continuing the process to move the association bank accounts to a closer bank/branch. She will have to coordinate the signing of documents for the new account.

Date of next meeting was set for March 13, at Spikes Beach Bar & Grille, 2300 Judsen

There being at the time no further business before the Association, the meeting was adjourned at 8:15p.

Respectfully submitted,

Todd Adamson, Secretary
